Kirk:

In compliance with your request there are attached a list of suggested topics for presentation at the Deputies' Meetings.

We have listed the suggested topics in a rough priority order for presentation which can, of course, be changed as deemed desirable. Further thought is being given to this matter and additional topics will be submitted if it appears we have some more appropriate ones.

(over) We would appreciate receiving as much advance notice as possible on any presentation scheduled for any of the listed topics.
